

Additional Information about Ceramic Vessels Pictured in *Archaeology Southwest Magazine* Vol. 26, Nos. 3 & 4

KEY:

EAC = Eastern Arizona College, Mills Collection

ASM = Arizona State Museum, University of Arizona

Cover:

EAC 90-5-1019, Cliff Polychrome bowl recovered from the Kuykendall site

Page 6:

Artist Robert Ciaccio used images of several actual vessels to create this illustration:

EAC 90-28-14, Jar in foreground at bottom edge of image, Tonto Polychrome body with Gila neck, recovered from the Dinwiddie site

EAC 90-5-1177, Cliff Polychrome bowl to the immediate upper right of the foregoing jar, recovered from the Kuykendall site

EAC 90-5-1035, Jar to which black paint has not yet been applied, resting to the upper left of the jar in the foreground, Tonto Polychrome body with Gila neck, recovered from the Kuykendall site

Page 13:

Upper right: ASM (uncatalogued) Kiet Siel Polychrome jar recovered from Point of Pines

Lower left: ASM A-15343, Maverick Mountain Polychrome bowl

Lower middle: ASM A-33390, Gila Polychrome bowl recovered from Kinishba

Lower right: EAC 90-5-1019, Cliff Polychrome bowl recovered from the Kuykendall site (also pictured on the cover of this issue)

Page 14:

Tusayan White Ware map: ASM 16244, Tusayan Black-on-white jar recovered from Turkey Hill Pueblo

Tsegi Orange Ware map: ASM GP6071, Tusayan Polychrome bowl recovered from Turkey Tank Ruin

Maverick Mountain Series map: EAC 90-5-822, Maverick Mountain Polychrome jar recovered from the Dinwiddie site

Page 15:

Salado polychrome map:

Pinto Polychrome bowl, ASM 85-89-22, recovered from East Ruin/Hill Top House/Bead Mountain Pueblo

Tonto Polychrome jar, EAC 90-5-836, recovered from the Dinwiddie site

Gila Polychrome bowl, EAC 90-5-757, recovered from the VIV Ruin

Cliff Polychrome bowl, EAC 90-5-1177, recovered from the Kuykendall site (also pictured in artist's visualization on page 6)

Page 16, clockwise from top left:

EAC 90-5-526, Gila Polychrome bowl recovered from the Webb site

EAC 90-5-1049, Cliff Polychrome bowl recovered from the Kuykendall site

EAC 90-5-900, Dinwiddie Polychrome bowl recovered from the Nine Mile site

EAC 90-5-817, Cliff White-on-red bowl recovered from the Dinwiddie site

EAC 91-1-51, Nine Mile Polychrome bowl recovered from the Buena Vista/Curtis/Solomonsville site

EAC 90-5-1487, Los Muertos Polychrome jar recovered from the VIV Ruin

Page 18:

EAC 90-5-1, Belford Red Smudged bowl recovered from the Dinwiddie site

Page 20, top to bottom:

EAC 90-5-1103, Gila Polychrome bowl recovered from the Kuykendall site

EAC 90-5-781, Tonto Polychrome jar with Gila neck recovered from the VIV Ruin

EAC 90-5-1033, Tonto Polychrome jar with Gila neck recovered from the VIV Ruin

ASM 23705, Cliff Polychrome bowl with Tonto Polychrome exterior recovered from Kinishba

EAC 90-5-828, Cliff White-on-red bowl recovered from the Dinwiddie site

Vessels known to be from mortuary contexts were not illustrated in this issue. We made every effort to determine that each illustrated vessel was recovered from a non-mortuary or indeterminate context.
