

Parcel 22

Map By: Richard Friedman, August 2018

The base hill shaded terrain image was created from BLM Lidar data flown in 2016

The linear and area features are derived from visual analysis of the Lidar data.

Legend	
	Parcel Boundary
Linear Features	
	Drainage Ditch
	Linear Breach in Dune
	Linear Feature - Probable Old Two Track
	Linear Feature of Unknown Origin - 3-5m
	Old Road, Two Track, or Trail
	Pipeline
	Road or Two Track
	Stock, Game, Hiking, or Horse Trail
	Underground Water Line
	Fence Line
Area Features	
	Earthen Dam
	Home Site
	Stock Pond
	Surface Disturbance - Unknown Cause

Parcel 23

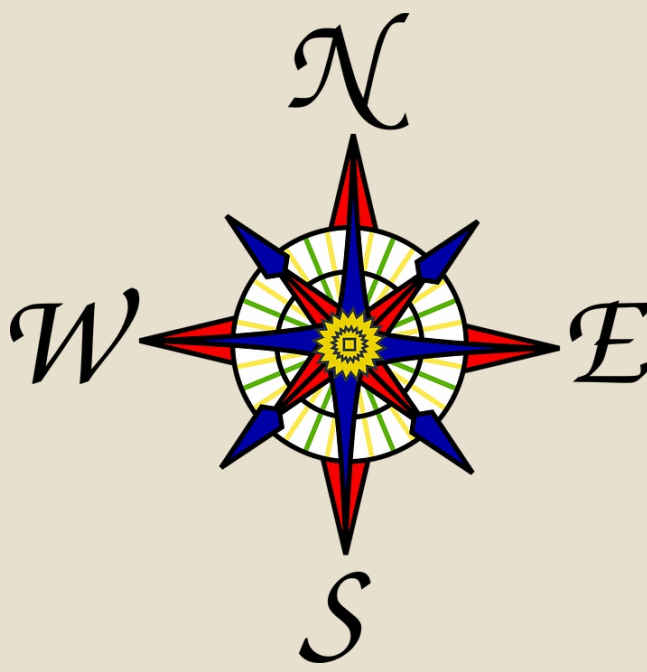

Scale in Meters

Map By: Richard Friedman, August 2018

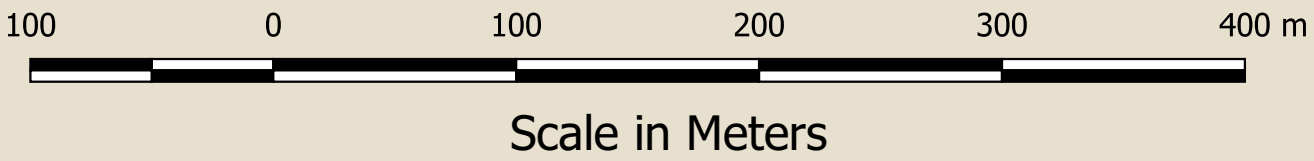

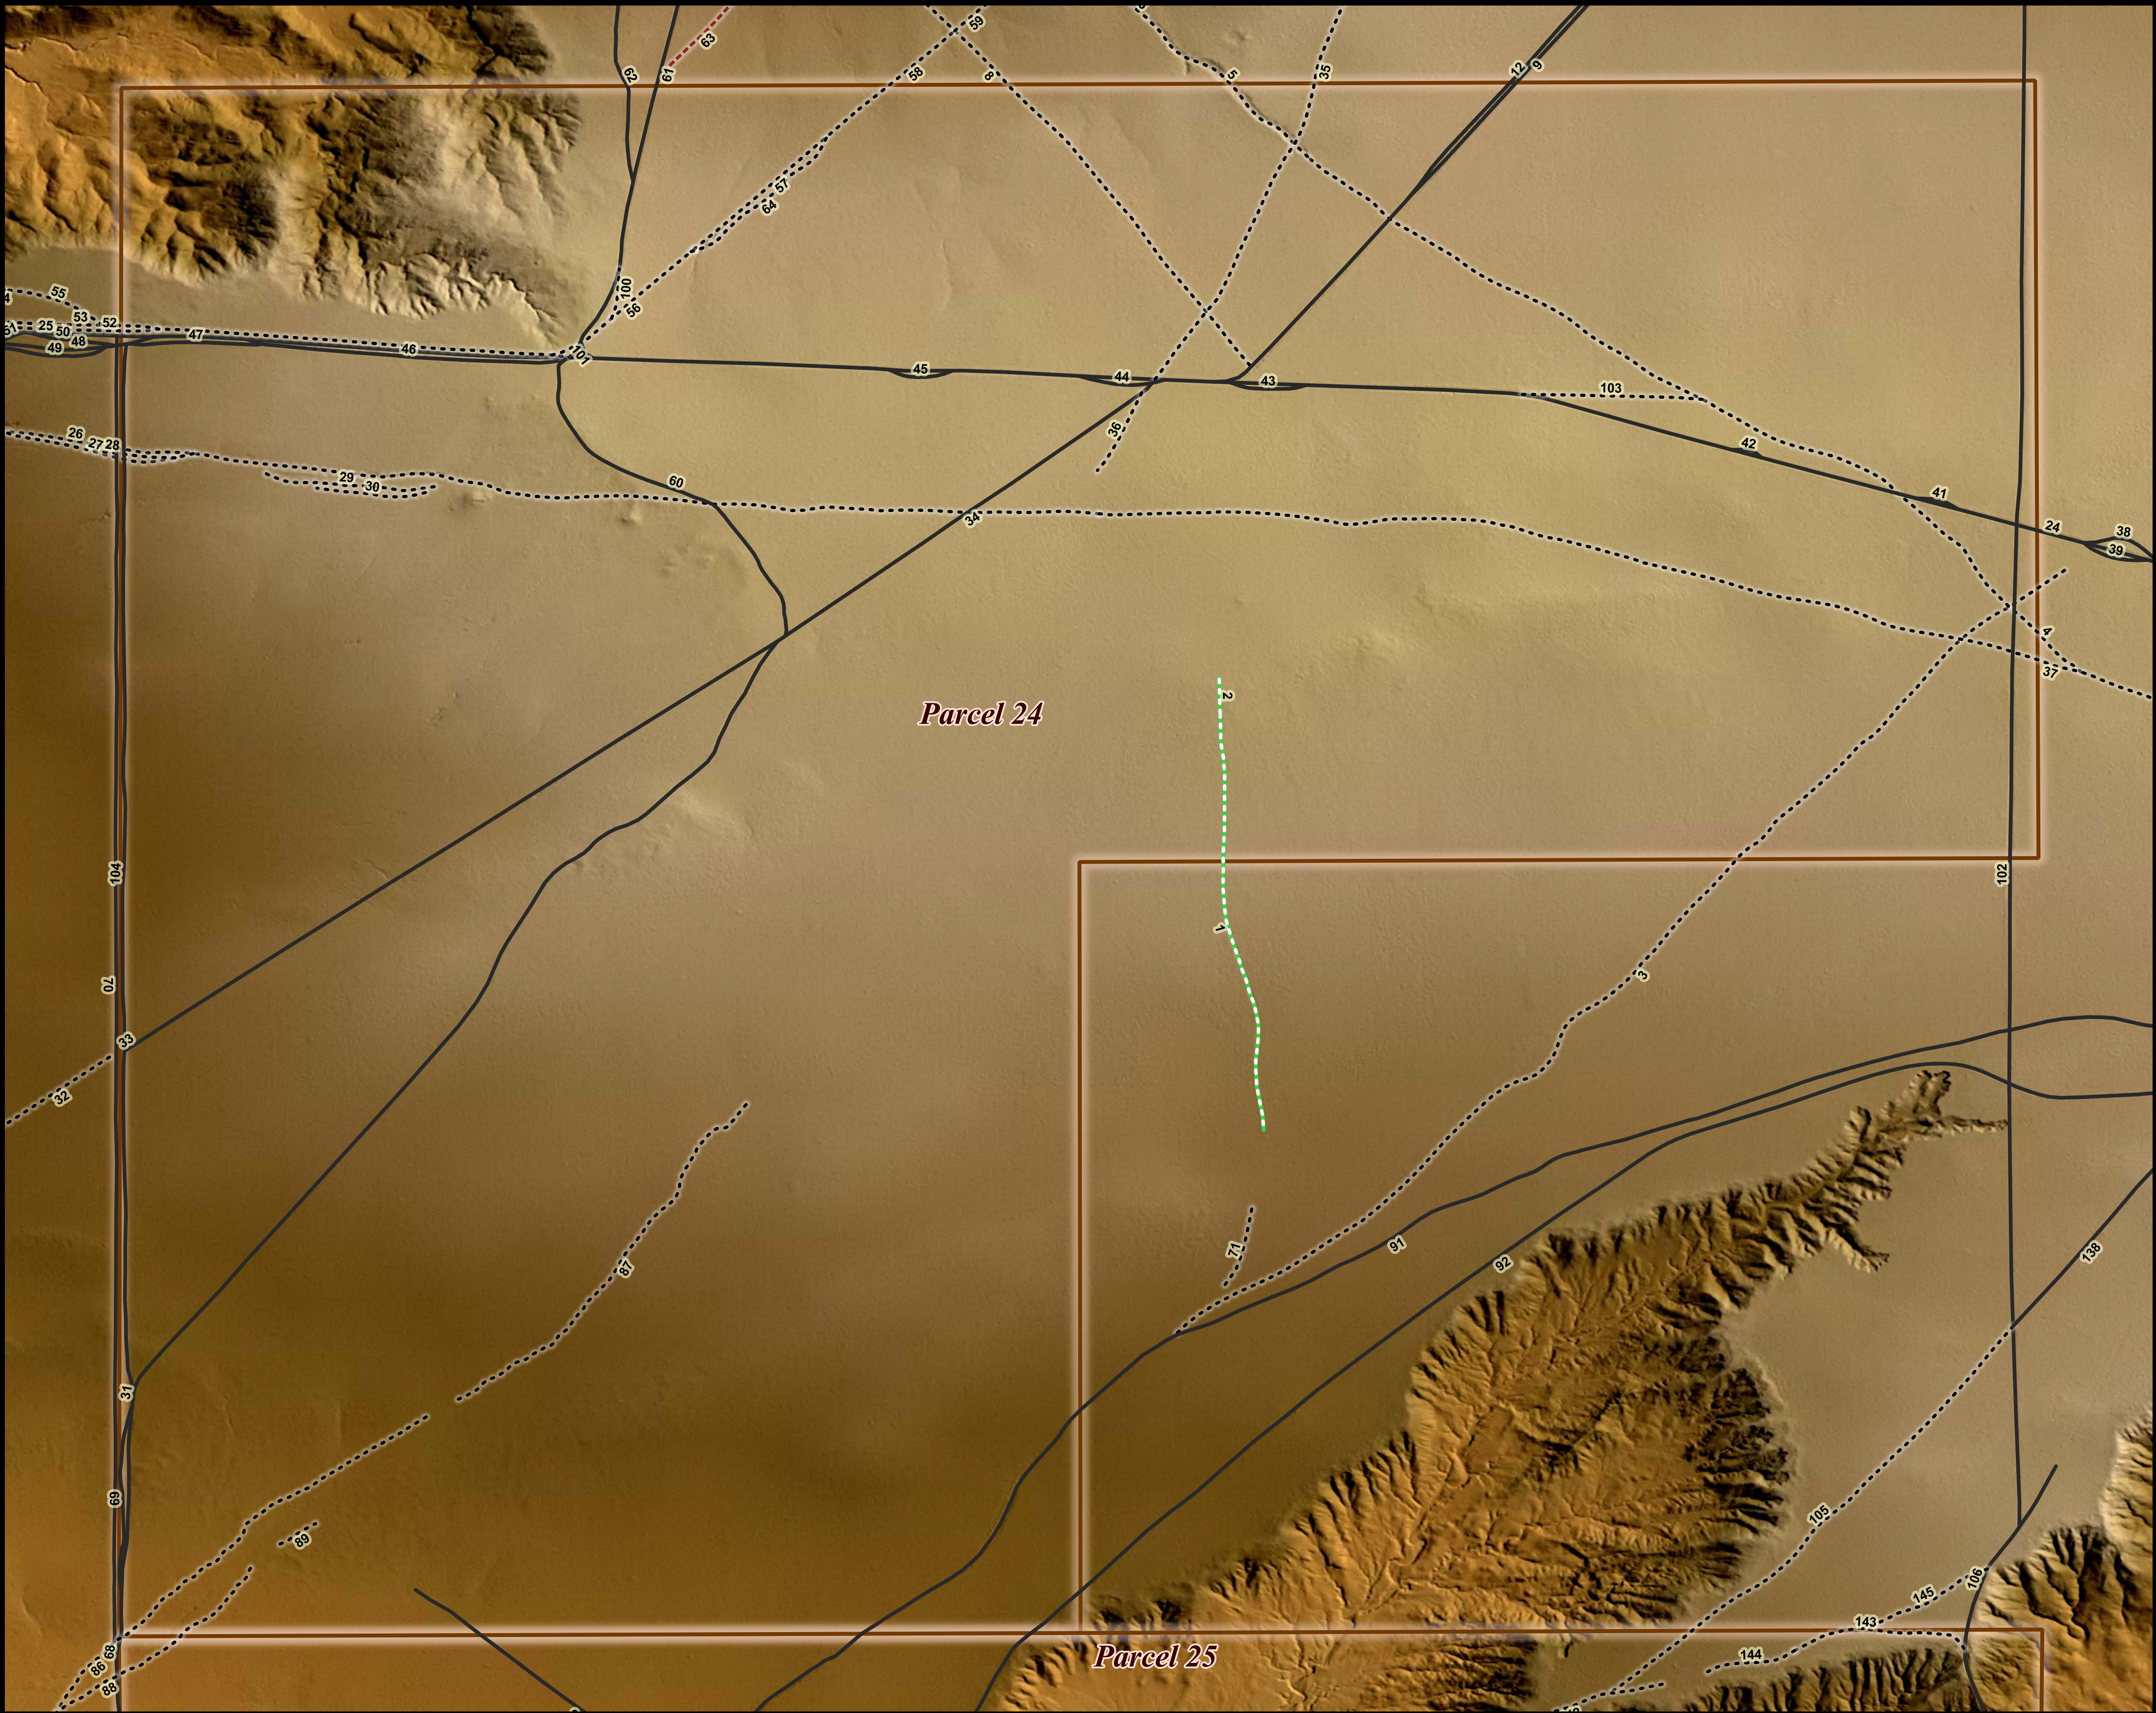

The base hill shaded terrain image was created from BLM Lidar data flown in 2016

The linear and area features are derived from visual analysis of the Lidar data.

Legend	
	Parcel Boundary
Linear Features	
	Drainage Ditch
	Linear Breach in Dune
	Linear Feature - Probable Old Two Track
	Linear Feature of Unknown Origin - 3-5m
	Old Road, Two Track, or Trail

Parcel 27

Scale in Meters

Map By: Richard Friedman, August
2018

The base hill shaded terrain image was created from BLM Lidar data flown in 2016

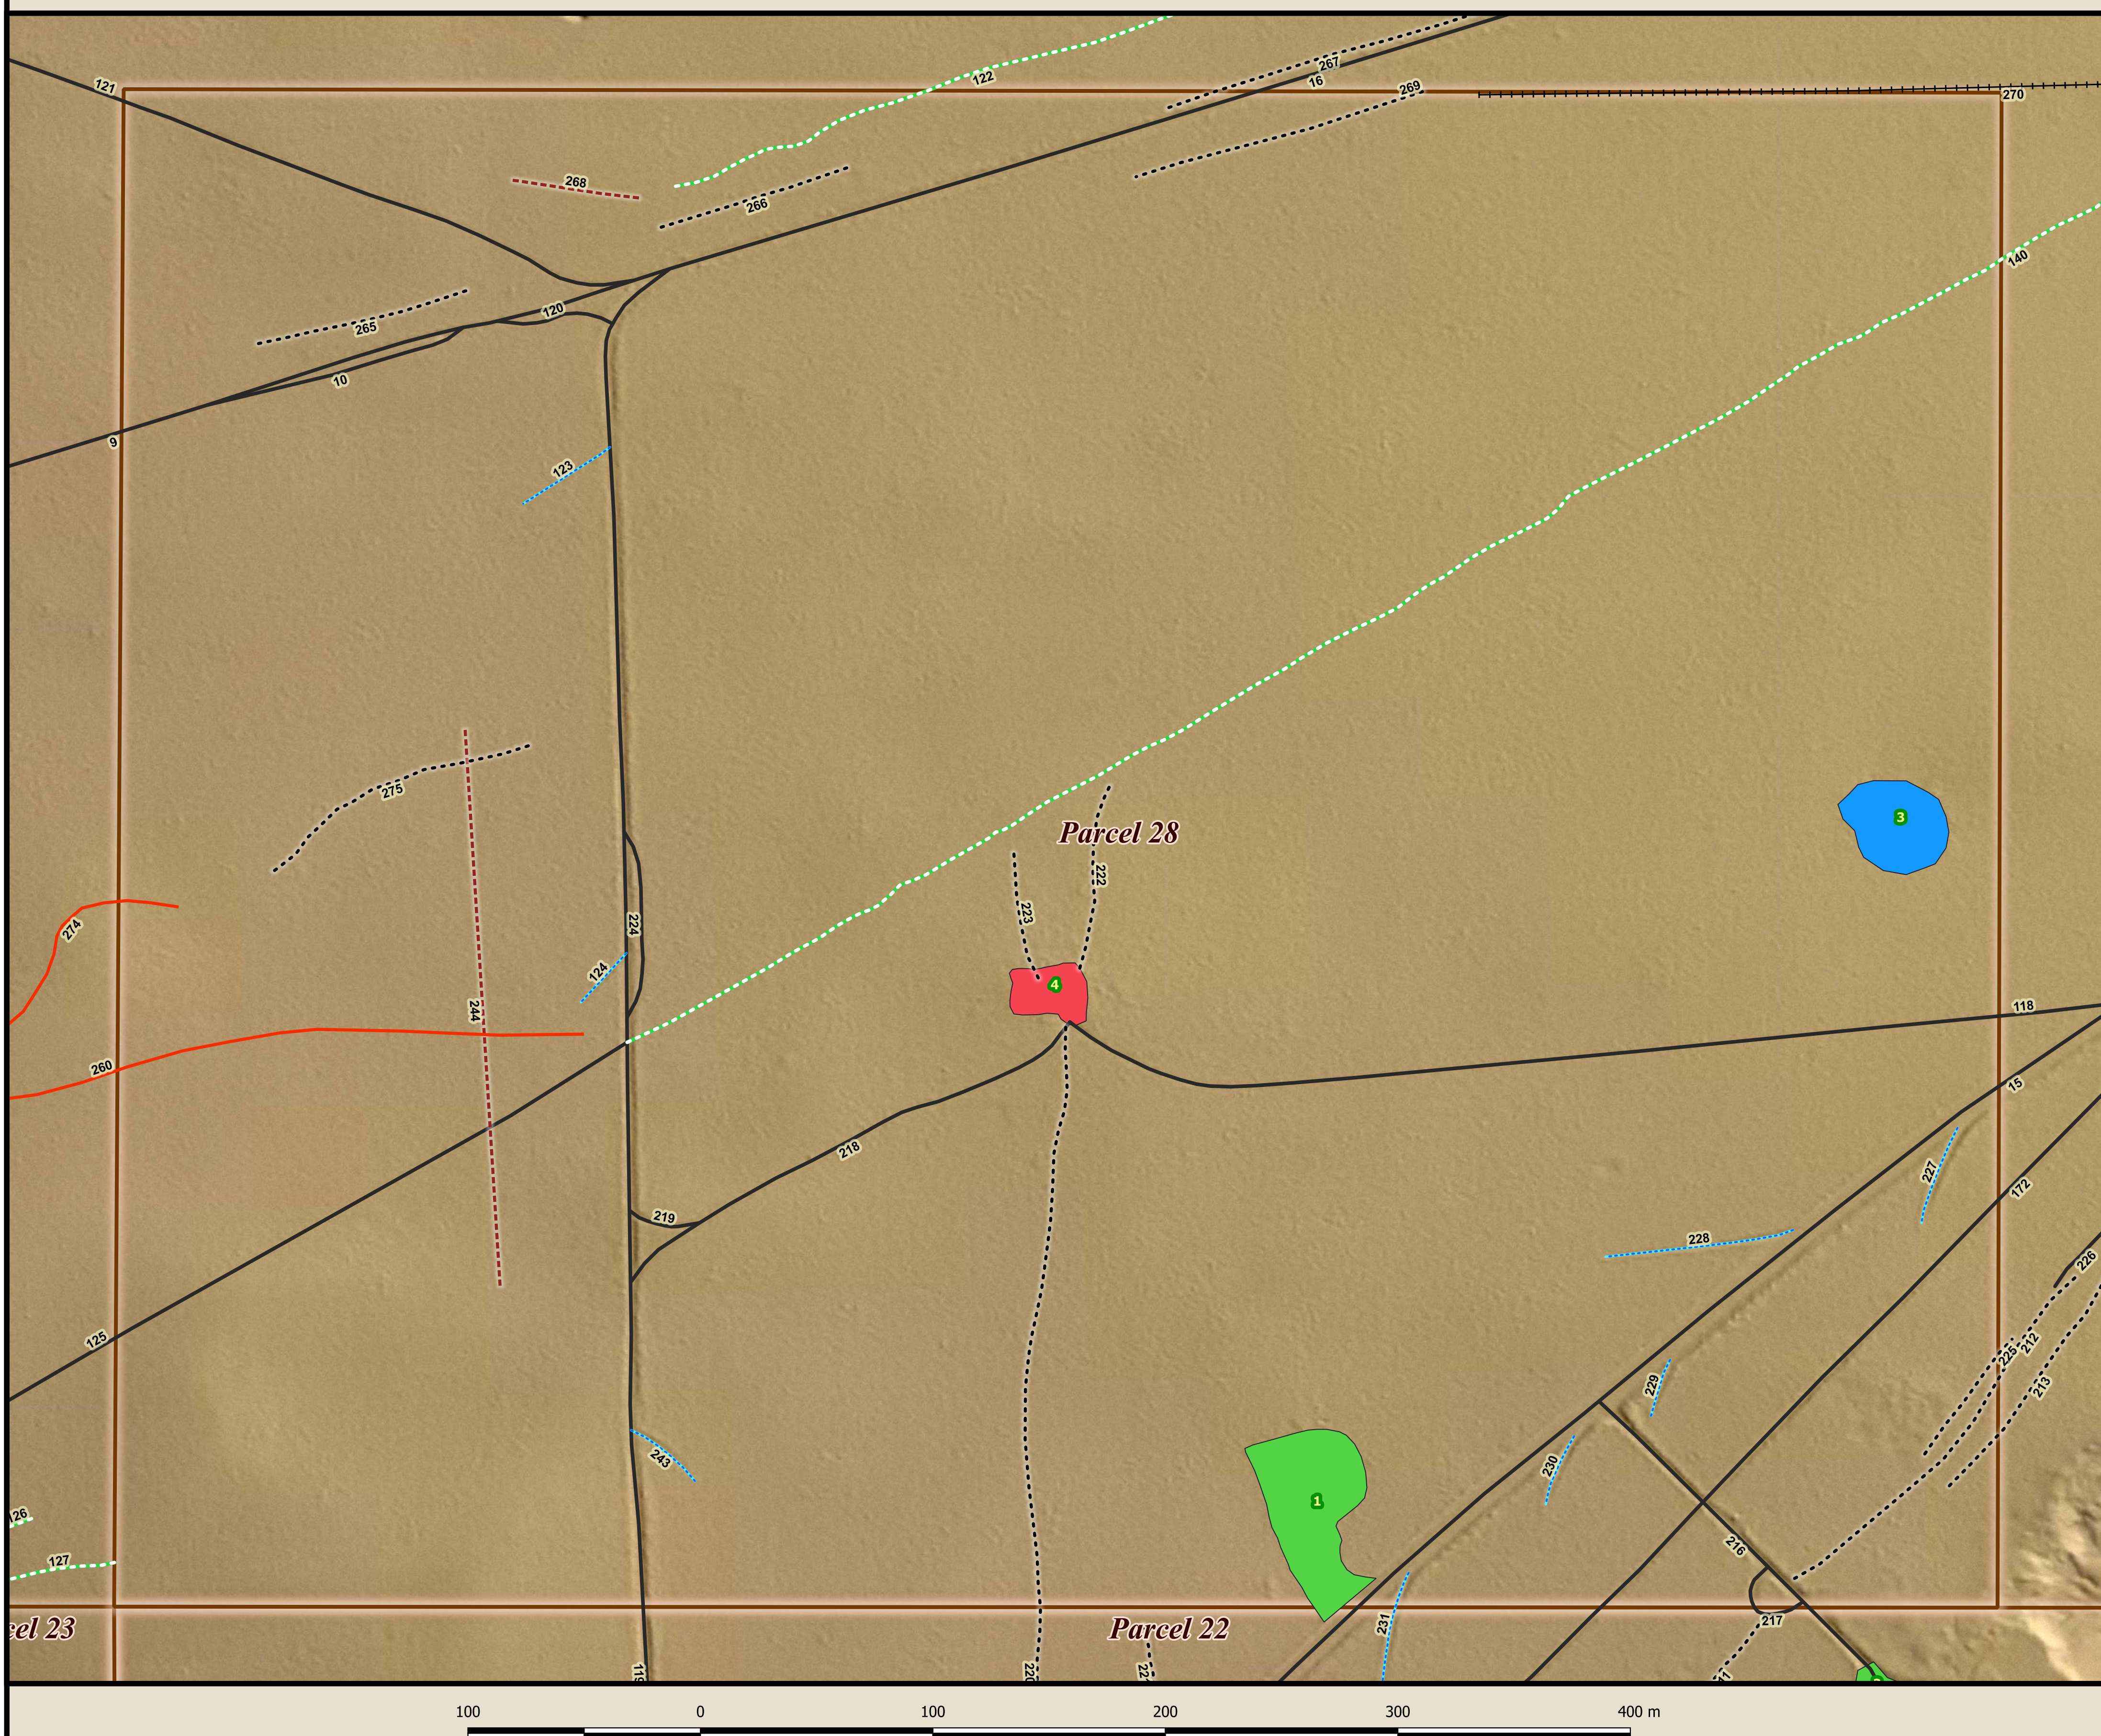

The linear and area features are derived from visual analysis of the Lidar data.

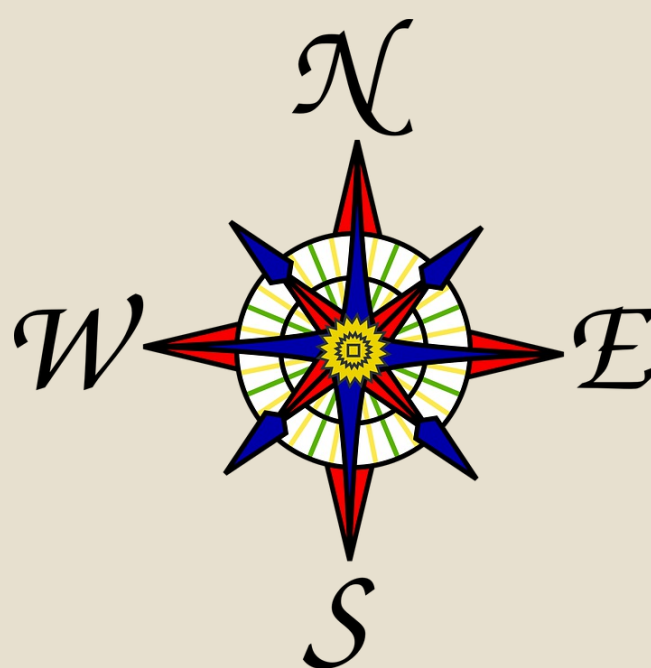

Legend

-  Parcel Boundary
- Linear Features
 -  Drainage Ditch
 -  Linear Breach in Dune
 -  Linear Feature - Probable Old Two Track
 -  Linear Feature of Unknown Origin - 3-5m
 -  Old Road, Two Track, or Trail
 -  Pipeline
 -  Road or Two Track
 -  Stock, Game, Hiking, or Horse Trail
 -  Underground Water Line
 -  Fence Line
- Area Features
 -  Earthen Dam
 -  Home Site
 -  Stock Pond
 -  Surface Disturbance - Unknown Cause

Parcel 28

Scale in Meters

Map By: Richard Friedman, August
2018

The base hill shaded terrain image was created from BLM Lidar data flown in 2016

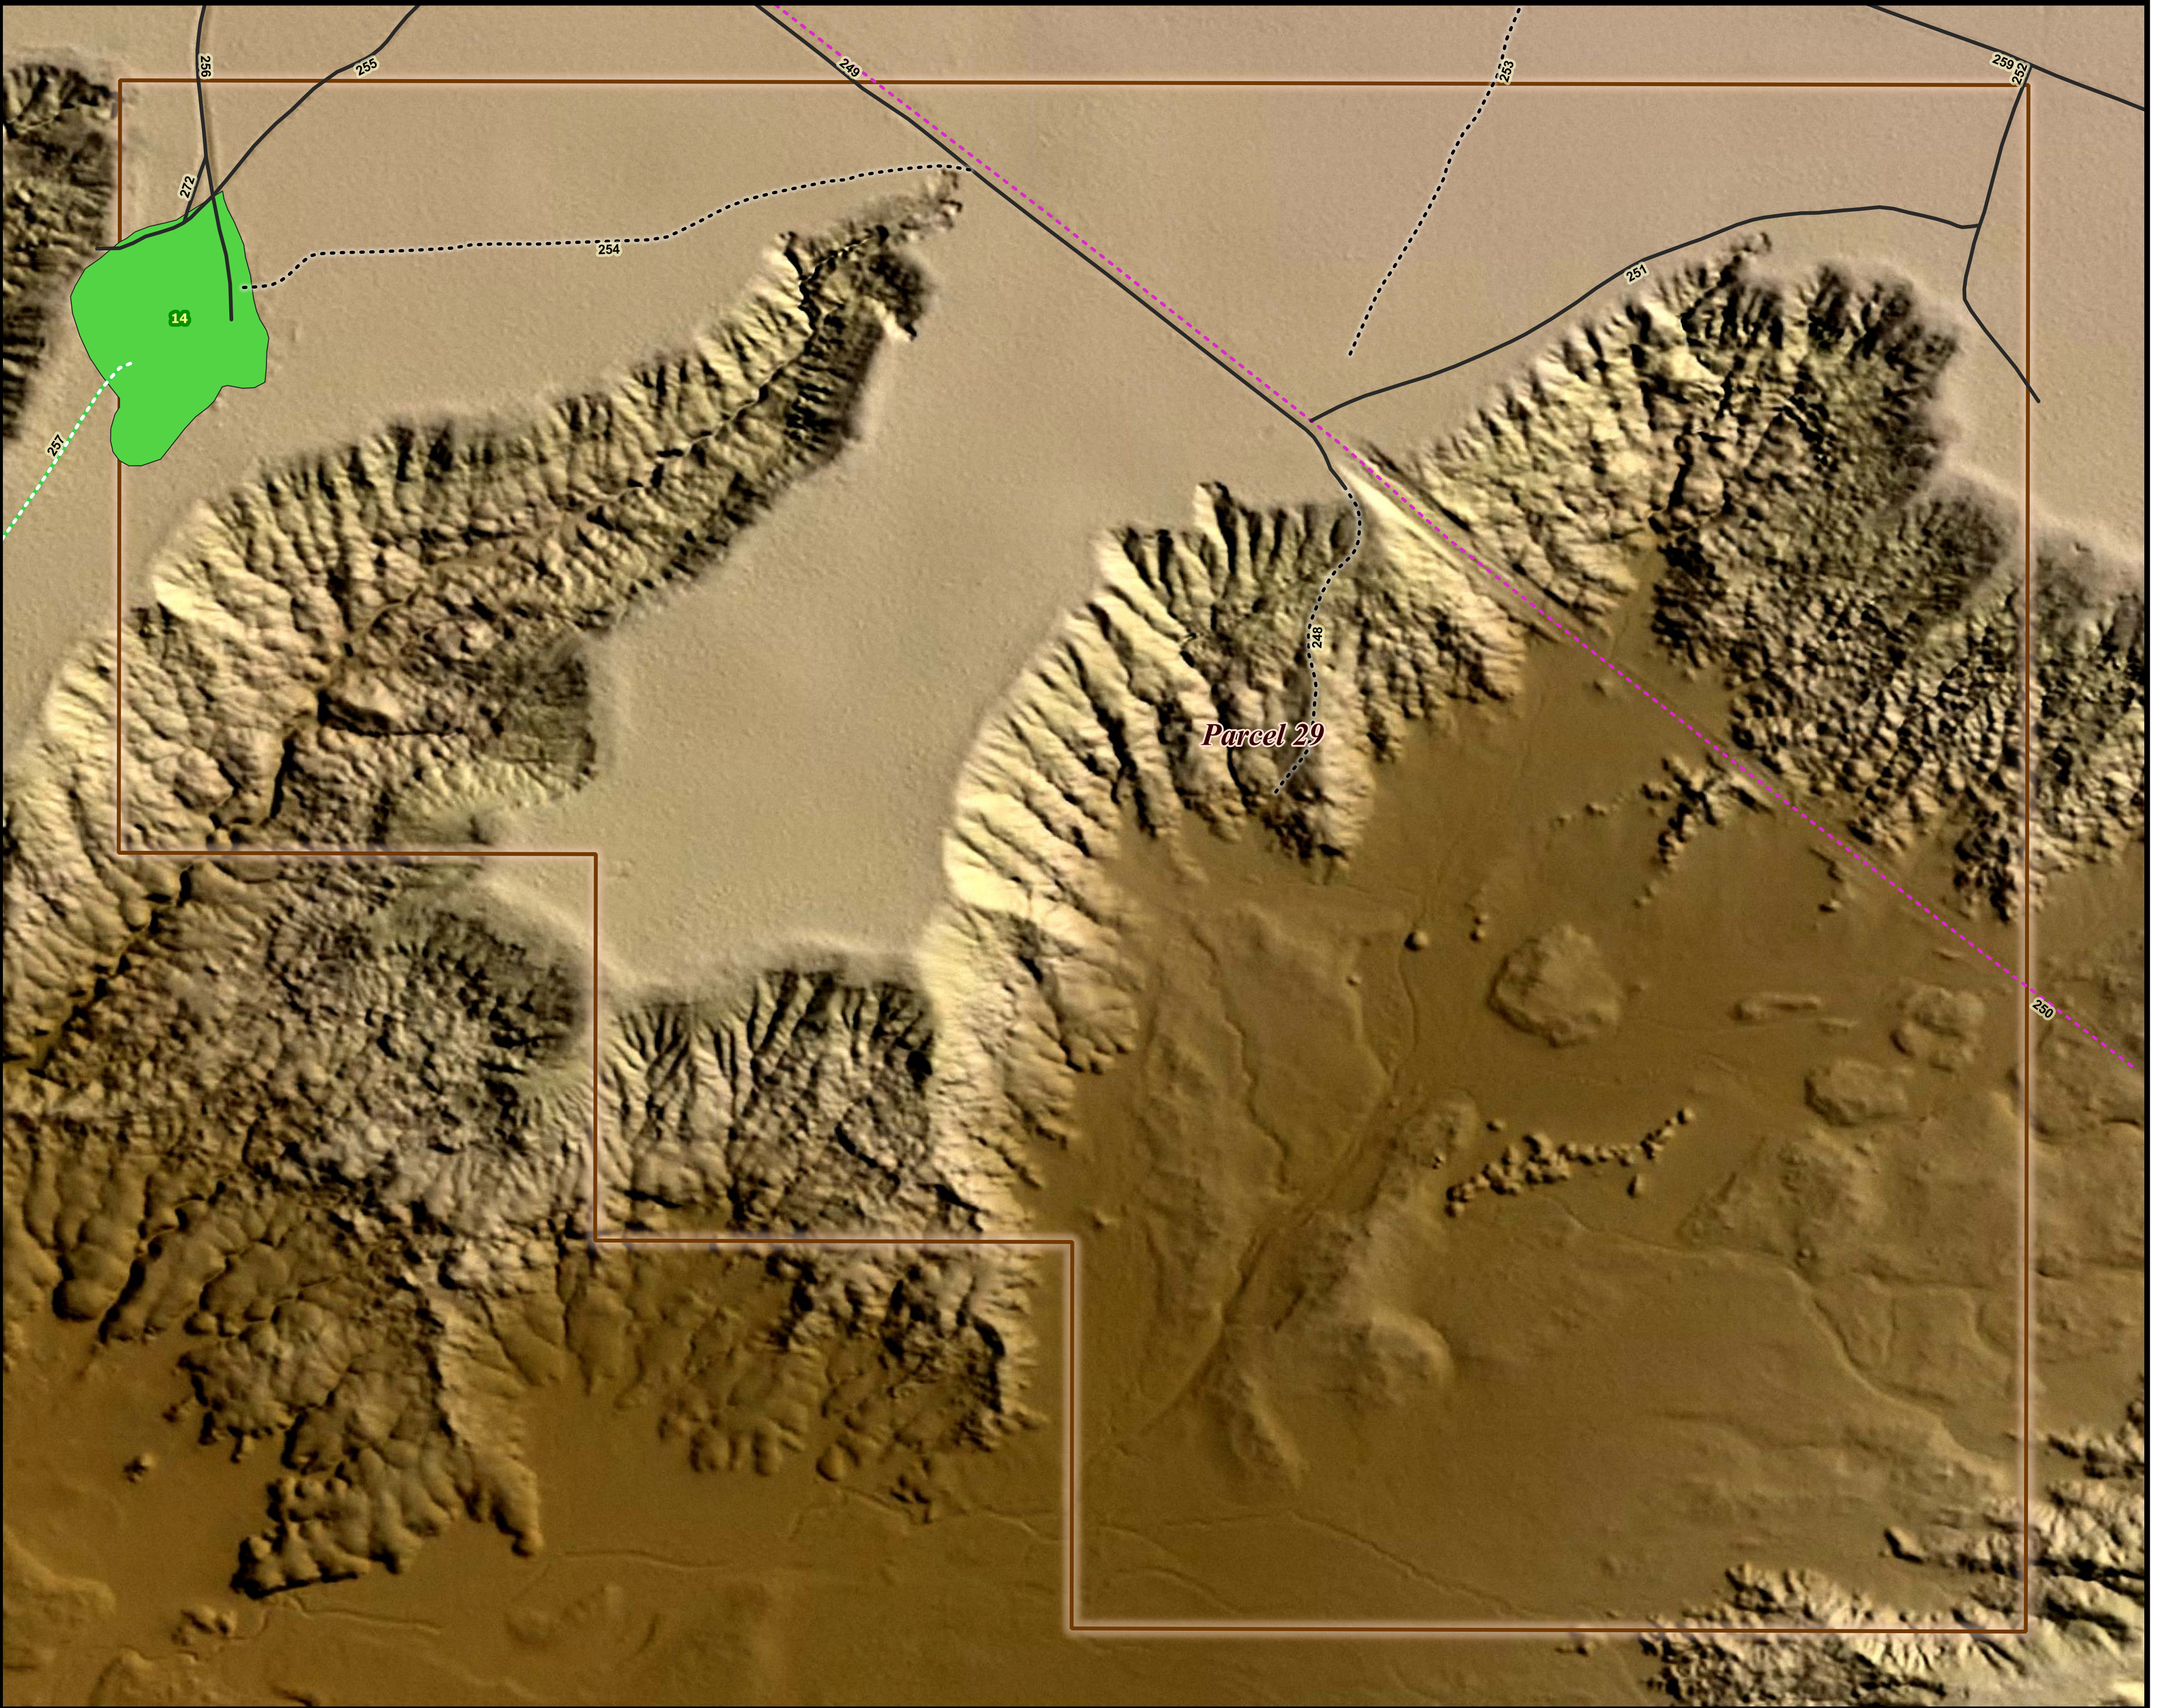

The linear and area features are derived from visual analysis of the Lidar data.

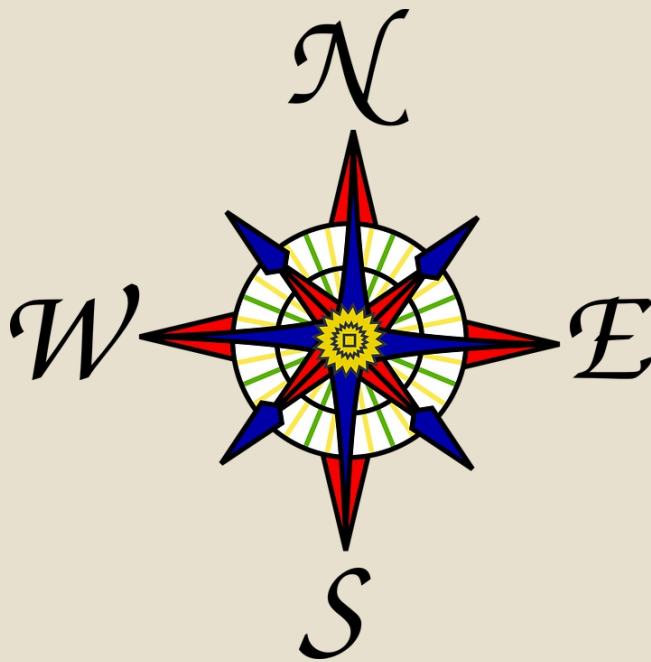

Legend

-  Parcel Boundary
- Linear Features
 -  Drainage Ditch
 -  Linear Breach in Dune
 -  Linear Feature - Probable Old Two Track
 -  Linear Feature of Unknown Origin - 3-5m
 -  Old Road, Two Track, or Trail
 -  Pipeline
 -  Road or Two Track
 -  Stock, Game, Hiking, or Horse Trail
 -  Underground Water Line
 -  Fence Line
- Area Features
 -  Earthen Dam
 -  Home Site
 -  Stock Pond
 -  Surface Disturbance - Unknown Cause

Parcel 29

Scale in Meters

Map By: Richard Friedman, August 2018

The base hill shaded terrain image was created from BLM Lidar data flown in 2016

The linear and area features are derived from visual analysis of the Lidar data.

Legend	
	Parcel Boundary
Linear Features	
	Drainage Ditch
	Linear Breach in Dune
	Linear Feature - Probable Old Two Track
	Linear Feature of Unknown Origin - 3-5m
	Old Road, Two Track, or Trail
